

THE HAMLIN HERALD

IN 35TH YEAR—EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS FRIDAY, OCTOBER 4, 1940

NUMBER 49

Jones County Cotton Is Rolling In Rapidly

If there is anything that makes a cotton country perk up its ears, eyes and step it is when "old man cotton begins to roll".

This is a fine fall. It looks like an old timer season with cotton large, fluffy and green and bountiful. Everything looks bully.

Cotton is late as it should be when the season is wet. Cotton is good, better and best in Jones county, depending just where you are. It is opening much faster in the south part of the county but on the north side it appears to be ranker

and better, and later.

The cotton reporting season started two weeks later in Jones county than even its neighboring county of Taylor. Later opening causes that. The first official report for this district and all of Texas from the Department of Commerce, Bureau of the Census, was to include Sept. 15 and made known on Sept. 23. It generally gave all districts of the state a smaller ginning than the date of the previous year. Last year same date Texas had 1,485,415 bales compared with 935,374 this 1940.

REGISTRATION DAY CALLS FOR HELP

On October 16th, the functioning of registration machinery, in the hands of volunteer workers, county officials, election Judges, and their clerks, school administrators and teachers, will be a tremendous task in the small time allotted to it.

Every volunteer worker will be making a contribution to the National defense program for which he should be commended.

Phone calls, letters and personal calls are being received by Geo. O. Harrell, County Clerk, throughout the county from volunteers offering their assistance on the day of Registration. Although the response is good, additional help is greatly needed, as it is anticipated that 80% of the voters in the Primaries will be required to register, and the anticipated time for each Registrant to register is from 20 to 30 minutes.

The place of registration is your voting box, and the hours for this are from 7:00 A. M. to 9:00 P. M. October 16, 1940. (49-2t)

ing and shifting to keep in step with the times. He has a plant near his "double stand plant" that formerly was called his "electric unit." The curtailment of cotton production made that plant one too much and all the electric features have long been discarded, except the big dynamo. T. E. has hitched this electric generator to his light lines, and all motor needs and when his steam engine is running he eliminates the Utilities current. Other features recently installed are the five Mitchell Finishers. These machines are the last ones to treat the cotton before it hits the gin saws. Harden says he has the latest improvements in the Mitchell line. Many and perhaps most gins have some model of the Mitchell Finishers or cleaners. Every gin man is anxious to keep his plant in the latest style of machinery, when possible.

METHODIST CHURCH

Rev. John W. Hendrix, Pastor

Church school cordially invites you to join this happy band. It meets at 9:45 a. m. And you can't miss it of any age. It's an excellent time to begin next Sunday, the first session after promotion—the beginning of a new year.

MORNING WORSHIP—10:50 a. m. The choir is organized and doing excellent work. The choir loft is filled at each session. The pastor will deliver a sermon, or rather the church will unite in a service of the Holy Communion and prayer for world peace. This fellowship is promoted by the Churches of Christ in America, an organization which includes in its membership most of the leading denominations of our U. S. A. The sermon theme will be, "SERMON THAT'S TOO SHORT." Yes, this describes one such!

EVENING WORSHIP changes the hour slightly—from 8:00 p. m. to 7:30 p. m. We have the BIG SING, and with the new song books, this goes over in fine shape. The pastor will speak, and the subject is to be, "ON GOIN' PLAIN NUTS." This is an interesting subject! Could be possible some in our social order are doing this?

THE LEAGUES, both Intermediate and Young People, will meet also under the new hour—6:45 p. m. The young people are busy making of their meeting an interesting event.

Mr. and Mrs. J. W. Fomby and Mrs. C. J. Whitaker returned Sunday from a short trip to Galveston. They were accompanied by Mr. and Mrs. C. A. Fomby, of Anson.

Miss Myrtle Lee Cohorn, of Council Bluffs, Iowa, came in Saturday to visit relatives while on her way to Sinton to visit her parents, Mr. and Mrs. A. J. Cohorn.

Mr. and Mrs. Clarence W. Gold, Mr. and Mrs. Homer Raney, and Mr. and Mrs. J. H. (Pinky) Fitzgerald attended the National Beauty Convention in San Antonio Sunday.

Heflin Miller was taken to the Sweetwater Hospital Sunday night suffering from a ruptured appendix. His condition became very serious, and he was given a blood transfusion Tuesday. Thursday his condition is still unchanged and considered very grave.

HAMLIN VOTED FOR A NEW CITY HALL

Perhaps never before did Hamlin have a bond election when the voters took as little interest as on last Tuesday when a \$12,000.00 bond issue was overwhelmingly accepted.

This is another PWA project and the plans and scope of the outlay of money means far more than the twelve thousand. Maybe that was why so few voted. Add 92 for the bonds and 44 against and you have the total vote, 136. Maybe not so bad when one stops to think that Tuesday was October the FIRST, and many otherwise interested minds were on other matters and the day came and passed before they realized that a money-calling election was under way.

Notwithstanding the fact that this subject had been talked about for many years, not everything contemplated was exactly known and even now is it completely clear what the city is to get? However, it will likely call for an all-round purpose, almost fire-proof building, to include a new fire station and a lot of equipment. The location is on the "parking lots" just west of the present city offices, and will likely face Union Avenue, with side entrances on the north side, on 7th Street.

NEW NEGRO SCHOOL

NOW UNDER CONSTRUCTION

It is gratifying to those who want to see the Negro children better cared for and educated in this community to know that a substantial semi-fireproof school building is being constructed as a PWA project in East Hamlin. It has a nice location, facing west on the corner of the all-weather street leading to the Compress. It is not a large building but ample to care for more colored children than are now in Hamlin. It will probably be ready for use by the time cotton is out and the children can enter.

To The People Of Hamlin:

Mr. Annis Reynolds, of Nugent, will be in that territory to represent us. Mr. Reynolds has worked quite a lot for us, and for the last year has worked at Lamesa for Equity Life Insurance Co. Any favors shown him will be appreciated by us.

IDEAL SECURITY LIFE INSURANCE CO.

To The Public:

I have known Ideal Security Life Insurance Co. ever since it began operation. I know of their quick payments of Death Claims, and the careful conservative methods that have given it the LARGE CASH RESERVE, and their careful investigation of all applications before issuing policies, all of which it takes to make a safe organization. I will be glad for you to address me a postal card at the Hamlin Office, with your address, and will be glad to call and explain fully.

ANNIS REYNOLDS, Model Hotel
The Herald anywhere, 1 yr. \$1.00.

Rotary and Lions Clubs Honor Faculty Members

Members of the Rotary and Lions Clubs assisted by club wives, were hosts Thursday evening of last week to members of the faculty of the Hamlin public schools and their families for a supper served at the City Park.

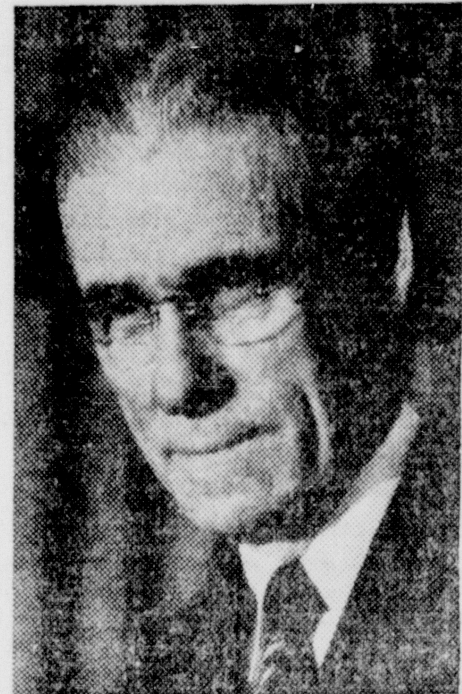

A program was presented by members from the two clubs with Harold Bonner, president of the Lions Club, acting as master of ceremonies. Mr. Bonner presented Ivy Witt, president of the Rotary Club, who extended welcome to the teachers and their families. Mr. Witt also expressed pride and pleasure in

the fact, the Rotary Club had maintained a 100 per cent attendance for the month of September and urged the members to maintain the same high record during October.

Superintendent Gordon Bennett was introduced and presented members of the faculty. Each responded with a brief talk. Mayor Joe Culbertson gave an interesting talk and a sing-song was led by Clyde F. Smith, director of music in Hamlin High school.

Invocation was offered by Rev. John W. Hendrix, pastor of the Methodist church.

Rotary Governor Visited In Hamlin

Frank S. Roberts

Wednesday Hamlin Rotarians had the rare privilege of a visit from District Governor, Frank Roberts, of Breckenridge.

Besides the distinguished attorney from Breckenridge, there were visitors from Abilene and former District Governor, Bernard Bryant, of Stamford.

Under the urging of President, Ivy Witt, the Hamlin Club has been one hundred per cent in attendance the past month. This attendance record always pleases the District Governor.

Frank Roberts is one of Rotary's greatest orators. He proved that in Hamlin last Wednesday. His talk was but a little over twenty minutes long but in that time he chucked it full of fine sentiments on Rotary and its mission in the world.

Governor Roberts has a fine, kind classical face and his bearing is sincere and forceful. So much did the Hamlin Rotarians enjoy his talk and congenial company while here, they will urge his reappearance here on some special occasion, in the near future.

Robert Fowler is visiting his cousin, Dean Nesbitt, in Torrington, Wyoming.

Mr. and Mrs. Ernest Jenkins, of Sweetwater, spent the week end with his parents, Mr. and Mrs. O. L. Jenkins.

SCHOOL TAXES

The Hamlin School Board will again extend to the taxpayers in the Hamlin Independent School District the opportunity to save on your taxes. If you pay your school taxes during the month of October and before the first day of November, you will be allowed a 3% discount on your 1940 taxes. A 2% discount will be allowed if you pay your 1940 taxes during the month of November and before the first day of December. A 1% discount will be allowed if you pay your school taxes during the month of December and before the first day of January.

Your School Board not only desires to give you the most efficient school possible but the most economical as well. By the taxpayers taking advantage of this opportunity to pay their taxes in November, the taxpayer will be benefitted in two ways. First, the amount of his taxes will be reduced. Second, the school system will be improved in that it will not have to plot its financial way blindly until the regular tax paying time. Your cooperation in this matter is greatly urged.

G. R. Bennett
Superintendent of Schools

Mr. Chastain's Brother Died

Hon. Oscar F. Chastain, of Eastland, formerly a member of the State Legislature, and once a candidate for congress, passed away at his Eastland home last Saturday after lingering since last July when he was injured in an automobile accident. The deceased was a brother of Attorney Claude Chastain of this city, who in company with his son-in-law, Perry Sparks, attended the funeral on Sunday.

Oscar Chastain was one of Texas' finest men. He was a close friend of the Herald Editor with whom he had associated in legislative work.

Mrs. Paul Fraser, of San Bonita, returned Sunday to her home after a three weeks visit here with her parents, Mr. and Mrs. J. C. Culbertson, and other relatives. Mr. Fraser came Friday for a short visit and to accompany his wife home.

BAPTIST CHURCH

There were 344 in Sunday School Sunday. This is the second largest attendance we have had since we moved to Hamlin. The average for the quarter has been 297 which is nine above the goal set at the beginning. The average attendance for the past six months has been 298. We give these figures this week because we have just closed our Sunday School year.

With our new teachers and officers installed for the new year, we look forward with great hopes to the future. God wants His work advanced, and we should give all of our energy to that task. With a world perplexed, we need to hold up great standards. This is no time to side-track; this is the time to charge. This is no time for compromise; this is the time to challenge. I believe Christians will.

We want Sunday to be a great day. Come at 9:45 for Sunday School. The morning worship service begins at 10:50. Then in the evening the Training Unions begin at 7:00, and the evening service at 8:00. The pastor will speak in both services and he urges every Baptist to be in his place.

By the way! Several of the fellows in different grocery stores have said to me, "Why can't Christian people help us keep our stores closed on Sunday? We don't want to open. We like to go to church." Folks, most of the grocermen in this town want to close on Sunday. A few men who insist on staying open may

ed about any kind of plant. This week we would call your attention to the Pioneer Gin. Thad Harden is the "pioneer" and keeps on improv-

force them to stay open unless we can create a great sentiment against it. It is nothing but neglect that makes us put off buying our groceries until Sunday. If these men should make an agreement to keep their stores closed, I don't want to hear of a single Christian attempting to get them to open. If company comes in unexpectedly, give them a can of sardines. Don't go to your favorite grocerman and beg him to open up. I'm serious about this! We who belong to our churches are responsible to God about this matter. (Well, I'm throwing this sermon in free. I'm not charging anyone for it—not even the Baptists.)

See you in Sunday School and church Sunday.

H. E. East, Pastor

HAMLIN IS WELL REPRESENTED IN JOHN TARLETON

Hamlin students enrolled in John Tarleton College are Mildred Barrow, Eva Louise Fowler, Jennie Hulse, Larry King, Marian Martin, Teddy Russell, and Gloria Stewart.

Mr. and Mrs. E. L. Anderson and little daughter, Marlee, of Desdemona, were visitors with their parents, Mr. and Mrs. A. C. Moore, proprietors of the Moore Cafe.

Misses Mary Boyd, Annie Laurie and Carrie Johnson, teachers in the Fort Stockton public schools, spent the past week-end with their parents, Mr. and Mrs. W. L. Boyd and Mr. and Mrs. W. F. Johnson.

Man Takes Own Life In Hamlin Sunday Night

After writing an extensive letter to his family, mentioning each one individually, and stating that he was tired of life, and donning painter's white coveralls, and circling over his heart with a pencil, L. Dee Mercer, age 35 years, 2 months and 19 days, ended his life with a 12 gauge shot gun about 6:30 Sunday night, September 29. This took place in South Hamlin about one block east of the highway. Death came a little more than an hour after the gun was fired. The man was in a trailer house beside his home.

Justice of the Peace, Grogan W. Turner, made the examination and rendered a verdict "death from gunshot wound, self-inflicted". The discharge of shot went through the body below the heart and out at the back.

Mr. Mercer was born in Johnson County, Texas, July 10, 1905 and was a son of Mr. and Mrs. J. W. Mercer, of Stamford. He had lived 24 years in Haskell County and many years in and about Stamford. He is survived by his wife, and three

children by a previous marriage, Dee Foy and Margie of Stamford and Mrs. LaVon Perry of Abilene. Also by his parents and the following brothers and sisters: Doyle and Wood Mercer of Stamford and Kenzie Mercer of Houston; Mrs. Cecil B. Gray and Mrs. H. Owens of Stamford and Mrs. Nola Maury of Waco. Mercer was an art painter by trade and had lived in Hamlin only a short time. He prided himself as being an artist sign painter and wanted those who viewed his remains for the last time to know that they were seeing the hands of a real artist.

The Stamford relatives instructed the Kinney Funeral Home to take charge of the body and the final funeral services were conducted in the Kinney chapel in Stamford Monday afternoon, September 30, by a Baptist minister, the Rev. H. S. Hinson, and interment was in Highland Cemetery, Stamford.

Mr. and Mrs. J. Frank Johnson and daughters, Jeanet and Shirley, visited Mrs. Johnson's sister in Bronte Sunday.

Dr. and Mrs. Geo. Thurman left Sunday for a short visit in Houston. They are expected to return Thursday or Friday.

GOOD SPORTSMANSHIP

By Tommy Hill

What is good sportsmanship? In reality good sportsmanship is principally a state of mind formed as a result of doing one's best while losing and being modest or complimentary as the occasion demands. A real sport is a fellow that compliments his beaten foe; nor is he inclined to boast or swagger over his success. This however, is the simpler part of sportsmanship. The true quality is more often shown when the loser pats his winning opponent on the back, congratulating him, smiles, and loses graciously. This type of person is rare, but he is an associate well worth having.

Courage, and self control are two essentials of good sportsmanship. It takes a fellow with real courage to congratulate his victorious opponent. Self control—consider the word. It is nothing but natural for a person to wish to win. When one's wishes are thwarted, there is an inclination to lose one's temper, leave the field in disgust and vow that your opponent was lucky. Self control, if in the possession of the loser, enables him to restrain from such ungentlemanly actions.

The acquisition of good sportsmanship requires untold effort. A firmly restrained mind is necessary to withhold one's temperament and prevent one's making a spectacle of himself. Not only is this effort necessary, but practice is also essential to the mental make-up of a good sport. Good sportsmanship yields its dividends in friendships formed and individual prestige. The crowd loves a winner, but it also loves a gracious loser.

PIPING FOR THE PIPERETTES

If any of you see a group of tired girls limping home from the park any afternoon about six o'clock during the following days, you can just say to yourself that they are pep squad members who have been marching around the ball field since 3:45. The girls have been working hard and with the help of band members are learning the rules of marching.

The pep squad met last week and elected Wanda Bowen president, Virginia Hampton sec'y-treas., and Odean Murphree reporter. In an earlier meeting Bernice Beard, Bobbie Tims, and Billie Johnson were elected yell leaders. Norman Lasseter and Glen Adkins are yell leaders for the student body, and they will co-operate with the girl yell leaders. With these leaders, a larger pep squad and a more enthusiastic student body, noise should be prevalent around the campus and at the ball games.

ASSEMBLY EVIDENCES SCHOOL SPIRIT

Spirit ran rampant in the assembly last Friday, as the auditorium was turned into the setting of a pep rally before the Jayton game. Some of the enthusiasm of the last rally had cooled off a little, and the whole thing was retarded by the fact that the students were actually learning some of the newer yells and songs of the school. Mimeographed sheets containing these songs and yells were passed out among the student body for the first time. The 5 yell leaders, Bernice Beard, Bobbie Tims, Billie Johnson, Norman Lasseter and Glen Adkins, directed the yelling and singing of the students, and they were backed by music from the band.

The climax came when the student body passed from the auditorium at the end of the period singing the "Pied Piper Song."

OUR SCHOOL COLORS

By Clara Spratlen

Green and white! The two most beautiful colors in the world to us! What do they signify? Hamlin! Yes, dear old Hamlin. They cannot be confused with other school colors since no other school around here has those colors. They are different, they are beautiful! What more could one want?

Pardon us, but did someone make a dirty remark about our green and white? If you have such an opinion, please remain the sole keeper of it. To trample, with words, on the banner of our school, is to us, as stomping on the red, white and blue of our own United States. It is an insult of the highest degree. Please remember that when you start to drag our green and white in the dust. Hold our colors high, high above our heads—those wonderful colors, green and white.

QUALITIES FOUND IN A GOOD STUDENT

By Joyce Hudson

A good student is characterized by four traits. There are, however, more than four traits by which students are judged, but admittance to the National Honor Society requires four traits that are the most outstanding. Good character is the fundamental basis by which any good is attained in a student's life. It is difficult to achieve great things in life after the character of a student has been marred. Good character leads easily to other traits—leadership, service, and scholarship. A leader of people must have strong character to render service to those who have placed confidence in his ability. Service requires first great interest in one's type of work; but

to be able to give the best service, one must be loyal and devoted. A student who has these sterling qualities usually attains high scholastic standing.

Character, leadership, service and scholarship prepare a student for his appointed place in life.

PIPING FOR THE SENIORS

There's a rumor going around in our institution that it's about time to crown the queen of Hamlin High. There's a question also of who will be crowned. As far as the seniors are concerned, the queen, Joyce Hudson, will be wearing the crown made by the juniors at the coronation of the queen. This being the last year in school, the seniors intend to make it their best by flying their colors in every activity. The escort, Lofton Brown, has that Barrymore profile and shouldn't have any trouble, as far as looks are concerned, with the other escorts. Watch the seniors, they're out to make history.

THE BAND PREPARES!

The Hamlin High School Band voted last week to go to Abilene to hear the United States Marine Band. Every member that can possibly go is waiting for this big chance.

After accepting the invitation to participate in the marching contest for bands at the West Texas Fair, the band has again started new marching maneuvers. The band director, Mr. Clyde Smith, furnished the band with an ideal formation for the occasion. The formation consists of flank movements, to the rear march, decrease and increase front, counter marches, and an exhibition of marching and playing at the same time. The band will stand strong competition with Abilene, Sweetwater, and many other bands. However, the band students are determined to make good display for Hamlin.

FRESHMAN NEWS

From all indications the freshman class is very active in all activities of the school. There are eight freshmen in the pep squad, nine in the glee club, six in the band, ten in the F. F. A. club, and three in the Girl Scout organization.

Twenty-two of the seventy-one members of the freshman class are attending Hamlin High school for the first time.

The freshman class met Sept. 30, and elected a class queen and escort. Hortense Phenix, a graceful and beautiful brunette, was elected queen, and J. C. Smith, a handsome brunette, was elected her escort. The freshmen will work to make this

attractive couple lead in the annual school carnival this month.

The class chose red and white for class colors and the red rose for class flower. The president appointed the following committee to arrange for the first class social: Bobbie Wilson, Billie Jean Holland, and Frances Gardner.

16 OF LAST YEAR'S GRADUATES ATTENDING TEXAS COLLEGES

Texas colleges have claimed sixteen of last year's seniors, a check-up revealed.

North Texas State Teachers College leads the parade, having enrolled Hazel Adkins, Anita Anderson, Maxine Brundage, Mignon Waggoner, Jean Young, Charles Brown, Bob Jack Low, James Nicholson, and Stanley Wilson.

One student, Teddy Russell, has entered John Tarleton Agricultural College.

One student, Lester Brooks, has entered Howard Payne College.

Three students, Tommie Nell Frank, Bobbie Stephens, and Holm Hilliar, have entered Texas Technological College.

Two students, La Verne Green and Ann Lassiter, are taking beauty courses in Fort Worth.

Two students, Verna Mae Sipe and Billy Joe Burton are taking post-graduate work in Hamlin High.

JUNIORS CHOOSE CLASS MOTHER, FATHER

In the meeting of the junior class Tuesday, Sept. 24, Mrs. S. W. Cade and Mr. R. Y. Barrow were elected class mother and father respectively. The following committee was appointed to select colors to recommend to the class for class colors: Bobby Joe Burns, Alice Morrison, Bill Harbert, and Virginia Hampton. Acting as a finance committee this year will be Selma Hassen, Bobby Barrow, Craigolene Elmore and Don Coles.

SOPHOMORES ELECT QUEEN

The sophomore class is proud of the fact that the queen for the following year will be Rose Mary Bristow. Her escort is J. W. Riddle.

JUNIORS PLAN ANNUAL CARNIVAL

Plans are under way for the big event of the fall—the Junior Halloween Carnival. The affair will include booths and stunts from all the classes and clubs that wish to participate with a certain per cent of all proceeds going to the junior class, which is sponsoring the carnival. The evening will be climaxed with the coronation of the Hamlin High

School Queen in the auditorium. Each class has elected one girl to represent that class in the Queen's race. Votes will be one cent each, and the candidate receiving the most votes will be crowned queen the night of the carnival.

Every class and club desiring a booth or any kind of activity in the carnival must turn in their wishes to Miss Smyers or Miss Blake before October 15.

HIGH SCHOOL P.-T. A. TO MEET OCTOBER 10th

The yera books for the Hamlin Hi School Parent-Teacher Association are ready for distribution.

A course of study on "This World of Ours" has been adopted. The first meeting will be held October 10, at 4 P. M., in the High School auditorium, at which time Mr. Ira Clements will discuss "The Responsibility of the Home for Democracy." And Mr. I. R. Witt will discuss "The Responsibility of the School for Democracy."

All parents and teachers are cordially invited to attend this meeting.

"OUR BOYS WILL BE LUCKY"

After seeing the Baird team play Friday night, it looks as though our boys will be lucky to hold them to a close score. The Baird team never gives up at any stage of the game, and any club that fights like that is hard to deal with. They are real fast, and smart. I hope we can really make a game of it.

Our team is in fair shape at present, but could stand lots of improvements.

—Coach Smith

HAMLIN TIES JAYTON (By Tommy Hill)

The Hamlin "B" team and the Jayton Jay Birds fought tooth and nail Friday night for a victory, but everything was even when the last whistle blew.

Hamlin scored first in the second quarter and led at the half 6-0. Then in the third quarter, the Pipers rang up another score to lead 12-0. Undaunted by their opponent's success, the Jay Birds came back to score a touchdown in the third, due to a good break, but failed to kick goal. (Continued On Next Page)

Hamlin Study Clubs To Open New Season

The Woman's Literary Club will open the thirty-second session with a luncheon Friday at one o'clock in the home of Mrs. Henry Albritton on Central Avenue. The traditional President's Day will be observed with an appropriate program.

The course of study chosen for this year is Reader's Digest and Book Reviews which promises to be very interesting.

Saturday marks the opening of the thirteenth session of the Schubert Music Club with a luncheon to be held at the Morgan Hotel, honoring the incoming president, Mrs. A. A. Hackley.

A delightful program has been arranged and a most interesting study, "Musical Vienna," forms the theme for the year's work.

For the two clubs unusually attractive Year Books have been printed, each emphasizing a patriotic color scheme.

Busy Bee Club

Wednesday, Sept. 25, the Busy Bee Club met in the home of Mrs. T. W. Flenniken, with thirteen members and three visitors present. Two quilts were partly quilted.

In a business session, the following officers were elected: president, Mrs. Clyde Whitaker; secretary, and reporter, Mrs. J. F. Vaughan. The next meeting will be Wed., Oct. 9, with Mrs. J. L. Fletcher. All members are requested to be present and visitors are always welcome.

Optimissus Club With Mrs. O. G. Harvey

The Optimissus Club was entertained last Friday by Mrs. O. G. Harvey with three tables of 42.

A salad plate with coffee was served to Mrs. Lonnie Gibson and Mrs. Ruby Richardson, guests, and the following members, Mrs. A. H. Tipton, H. O. McCray, G. P. Odom, W. H. Dean, H. V. Brown, Jim Richardson, Ray Maberry, Feemster, L. B. Maberry and the hostess.

Mrs. Richardson scored high for guests, and Mrs. A. H. Tipton and Mrs. L. B. Maberry tied high for the club.

A short business session was held and the following officers were elected: Mrs. H. V. Brown, president; Mrs. O. G. Harvey, secretary-treasurer; Mrs. L. B. Maberry, reporter.

Colonial Bridge Club Opens Autumn Season

Mrs. Alford Harden was hostess in her home Tuesday afternoon for the first autumn meeting of the Colonial Bridge Club.

Cosmas and chrysanthemums were attractively arranged in the rooms where games of bridge were enjoyed. High score was made by Mrs. Frank Waggoner.

A delicious salad plate was served to the following club members: Mmes. Mac Brundage, Elmer Feagan, J. E. Moody, Holly Toler, Frank Waggoner and Paul A. Fowler; guests, Mrs. J. P. Morgan and Mrs. Montgomery, of Guthrie, Oklahoma.

Officers Installed For T. E. L. Class

Mrs. Tom Routh and Mrs. W. R. Wilkerson were joint hostesses Monday evening when they entertained members of the T. E. L. Class of the First Baptist Church.

Mrs. H. E. East conducted the installation service, emphasizing the duties and responsibilities of each office.

Officers who will serve the class for the coming year are: president, Mrs. Z. T. Wilson; first vice-president, Mrs. W. R. Wilkerson; second vice-president, Mrs. S. E. Jones; third vice-president, Mrs. John Hines; secretary, Mrs. Arthur Burns; and teacher, Mrs. Tom Routh.

The retiring president, Mrs. Arthur Burns, was presented blocks for a Friendship quilt by members of the class.

Sandwiches, cookies and Russian punch were served during the social hour to twenty members.

School News

(Continued From Preceding Page)

In the 4th quarter, the Jay Birds intercepted a Hamlin pass to run fifty yards for a touchdown to tie the score but failed to convert. The score, 12-12.

Outstanding for Jayton was Hamilton. For Hamlin, Earl Smith and G. W. Turner.

GLEE CLUB ORGANIZES

The High School glee club has elected the following officers: president, Charlotte Dillingham; vice-president, Koleta Adkins; secretary and treasurer, Odean Murphree; reporter Sarah Jo Holder; librarian, Milton Fletcher. The sponsor is Mr. Clyde E. Smith. The club has already planned several programs for the year. New music has been received and work has already begun.

HAMLIN'S FOOTBALL STADIUM

By John Flores

Yes, Hamlin has one of the finest football stadiums in West Texas. The people of Hamlin and the Federal Government have made it possible. Among the many things that make it an ideal football stadium is the well-lighted field. The sodded field (probably the answer to why some of the players go through a game without a scratch) is so well kept that it looks like your own front yard with the exception of the flowers. The numerous and comfortable seats and the large white score board make it possible for all to enjoy the game better. The loud speaker arrangement enables the spectators to follow the game play by play. These and many other features make the Hamlin Gridiron an ideal place for recreation.

W. H. Hall who was taken to the Stamford Hospital Monday, suffering with a heart attack, was able to return home last week and is improving nicely.

Mr. and Mrs. R. E. Johnson were called to Talequah, Oklahoma, Sunday to be with Mrs. Johnson's brother who is seriously ill. Mr. Johnson returned Wednesday and Mrs. Johnson remained at the home of her brother.

DOVIE NEWS

By Vada Taylor

The young people of Dovie League attended a District Rally at Abilene Friday and Saturday, Sept. 27th and 28. Those attending reported a nice time.

Members of the young people's Council met at the home of Mr. and Mrs. R. H. Cooley Monday evening. Programs were made out for the month of October. After the business part of the meeting was completed, refreshments were served by the hostess.

Alvis Cooley brought an interesting message Sunday morning, and Sunday evening, Sept. 29th. Mr. Cooley is now attending his second year at McMurry College.

Rev. D. Rea Allison, the new pastor of Dovie church plans to fill his pulpit Sunday, Oct. 6.

While in Abilene last week end, Mr. and Mrs. Slim Cooley visited in the home of Mr. and Mrs. R. H. McElarath.

We wish to welcome Mr. and Mrs. Gerald Renfro back to our community to make their home. The past few months they have been living near Snyder.

H. L. McBride was called to Lamesa Thursday because of the serious illness of his brother.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lax bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

Miss Johnnie Pearl Harmon returned Sunday to her home in Midland after spending two weeks here with her sister, Miss Era Harmon.

SINCE 1883

Ballard's Snow Liniment has been an inexpensive aid in relieving the discomforts of Muscular Congestion that accompanies Sprains, Strains, Bruises, and Muscular Soreness from over-exertion or undue exposure. In 30c and 60c bottles.

"Hot Time!" Cold Night. Parked Late? Never mind...start up in jig-time

Bad days ahead. But here's how Winter OIL-PLATING maintains needed lubricant in advance—for Safe Quick Starts...

Your engine is up around 2 feet tall. But where is its highest oil-level? Barely 3 or 4 inches off the bottom during parking. So if you depend on crankcase oil alone, when starting up cold, you'll wait till it climbs a good ways—and goes worming around.

But now!...no more hard risky waiting for that first badly needed lubricant...not with your engine OIL-PLATED for Winter by changing today to your correct Winter grade of Conoco Germ Processed oil.

Processed into this patented oil that sells at a normal price is a rare extra substance—created by man—to fasten lubricant firmly to metal. The result is OIL-PLATING, attached to inner engine parts as closely as chrome plating is attached to bumpers. And like chrome plating, OIL-PLATING doesn't all drain down during parking, but stays up as high as the highest piston rings reach—ready to smooth out starting stroke No. 1—ready to fight for oil economy by fighting the wear of oil-starved starting. (And the less wear, the more gasoline economy, too!) Then OIL-PLATE now—at Your Mileage Merchant's Conoco station. Continental Oil Company

POT SHOTS FROM McCAULEY

BY GEO. DARDEN

Feed cutting is in a big way around McCauley, and as a whole, the feed crop is good.

Walter Peacock was trading in McCauley the first of the week. Mr. Peacock complimented us on our editorial in last week's paper; he is another lover of horse flesh and believes as we do about horse races for Texas.

Mrs. Fred Maberry is in Brownwood for her health and is reported to be improving.

One of the best football games we have seen in a long time was played on the McCauley field last week. The opposing team was Dal; the final score was eight and eight. We are glad to report that McCauley has improved one hundred per cent since last season and we are expecting them to win a lot of games this season.

S. A. Johnson was down from Hamlin to see the football game. Although Mr. Johnson has a son who is a star player for Hamlin, he is still interested in the McCauley team.

Mr. and Mrs. O. M. Henderson have returned from Ft. Worth where Mrs. Henderson has been for treatment.

Some of the land near McCauley has leased for five dollars per acre. We understand that those who have leased for more than one dollar have been commercial leases. Land is being blocked north of town for drilling.

The ladies Federated church club met at the Baptist Church Monday afternoon. Several visiting ladies from Sylvester were present. The program was as follows: opening song, "Take Time To Be Holy" by the audience; Introduction of Officers, Mrs. J. A. Jackson; Scripture Lesson, Mrs. Boyd; Prayer; Business Period; Program, Mrs. Geo. Darden; solo, "Crossing the Bar", Mrs. Willard Maberry; Old and New Poets, Mrs. R. Bishop; sketch-Tennyson, song, sketch-Sydney Lanier; closing song, "Love Divine", Mrs. Levi McCollum is president; Mrs. Geo. Darden, program director; Mrs. Melvin Courtney, reporter; and Mrs. J. A. Jackson, secretary.

Wendell Willkie seemed to get a rather cool reception in Detroit. Any way he got a lot of cantaloupes, eggs etc. thrown at him. It just goes to show that FDR is still the favorite to win in November. Every time Mr. Willkie makes a speech he loses votes and personally, we think there is no such thing as a Willkie Democrat.

Sunday visitors in the home of Mr. and Mrs. W. B. Mayo were Mr. and Mrs. Ed Fairey and children, of Brownwood, Mr. and Mrs. William Mayo and son, of Rotan, Mr. and Mrs. W. A. Hemphill, of McCauley, Mr. and Mrs. E. F. Fairey, Mr. and Mrs. R. N. Fairey and son, Mr. and Mrs. Burl Curtiss, all of Hamlin.

Jack Perryman, Tellus Wicker and Loui Jones joined the army last Monday. The boys went to Sweetwater to the recruiting station at 3:30 p. m. and at 7:20 p. m. they were on

are thinking of doing the same thing and we wish them the best of luck, and Hitler and the Japs had better watch out.

Mr. and Mrs. Charlie Abbott were visiting Charlie's mother and other relatives in McCauley last week.

Miss Melba McKinney has returned to McCauley after spending several weeks in Sweetwater.

Doc Perryman has closed the Ice house for the season. However, we hear that Alf Hemphill will open it and continue the ice business for another thirty days.

The embargo on scrap iron to Japan should become effective now. Why wait until the fifteenth of Oct.? Enough scrap iron can be shipped to the Japs between now and the time for the embargo to take effect to carry on their war for many moons. It looks as if we are shipping scrap iron by the tons to be shot back at us in the form of bullets and sharpnel. Hitler is at his old tricks again. He finally whipped Japan in line, and we will have to admit that he is very cunning when it comes to trickery. Japan will likely be sorry of her deal with the Axis powers. It has been said that Uncle Sam's fleet could whip Japan in three or four weeks. We hope that is correct, for we will likely have to tame those yellow jackets sooner or later; and it looks now like it won't be long before we are going to have to show Japan that we mean business. If we have to fight the Japs, the first thing that should be done is to clean out lower California where thousands of the yellow race are enjoying the blessedness of America and we imagine a very few are loyal to this country deep down in their hearts. Those who dis-like our form of government had better catch a boat pretty soon, for it will likely be a little rough on them if war comes.—A DARDEN-O-GRAM.

TO WHOM IT MAY CONCERN:

Notice is hereby given that the copartnership between Stanley Carmichael, Art Carmichael and D. F. Park was on the 19th day of September, A. D., 1940, in all things dissolved, and that D. F. Park will no longer be a member of said firm, and he will no longer have an interest in or be in any way connected with either the Hamlin Motor Company or the Carmichael Chevrolet Company. That all obligations of said co-partnership are to be paid by Art Carmichael and Stanley Carmichael and all obligations due said co-partnership shall be paid to the said Art Carmichael and Stanley Carmichael. That agreements made hereafter by the said D. F. Park will no longer be binding on said co-partnership or said firms.

Marriage Should Be Dignified by All Races

Before publishing a marriage that took place in Hamlin last Saturday, the Herald will introduce the subject by giving our readers what the colored minister said about it. He is right. He said he believed marriage is a thing of vital importance and that he thought white people should know when colored people marry and that they do marry and are married. That was Minister S. H. Hawthorne of Goree who reported that "Mr. Jack Breedlove and Miss L. E. Burton were united in marriage" last Saturday. Both live in Hamlin and the marriage took place in the servant home of the Carl Greenway residence.

Miss Latina Morris left last Saturday to visit relatives in Clarendon. Mrs. Morris and Miss Oleta will join her there and continue their trip to Bonham and other points in East Texas before their return home.

Mmes Paul A. Fowler, Curtis Martin, R. Y. Barrow and W. C. Russell spent the week-end in Stephenville visiting their children who are students in John Tarleton College, Misses Eva Louise Fowler, Marian Martin, and Mildred Barrow and Teddy Russell.

Mr. and Mrs. L. M. Walsh, of Merkel, were guests Monday in the home of Mr. and Mrs. O. L. Jenkins.
